Requisition/Vacancy No. 166744BR

Position Title Transportation Engineer I

Job Category Engineering - Transportation

Business Line Transportation

Country United States of America

State/Province/Region USA - Arizona

City Phoenix

Job Summary The Design Consulting Services (DCS) Division of AECOM is actively seeking a creative, highly talented Traffic Engineer for immediate employment in the Phoenix, Arizona Office. The appropriately qualified applicant will be able to demonstrate progressive experience in transportation engineering, with specialized skills and experience in traffic operations and transportation planning. The incumbent can look forward to multi-disciplinary projects requiring complex design and analysis skills; management of projects and major project tasks; mentorship of technical staff; and client interaction. Incumbent may participate on design-build projects in the mountain region. AECOM is pleased to include you in a

unique development opportunity, the Graduate Development Program (GDP). This program is designed to support your assimilation into the organization and assist with creating a foundation of knowledge for a successful career at AECOM. You will gain experience in your discipline through learning on the job and participate in development opportunities during the program, including access to AECOM’s social media resources, group mentoring, and professional networking. The program also has learning activities that will be available to you, including webinars and on-line programs.

Imagine working on rewarding projects within a diverse culture, and having access to exceptional training and career development opportunities. Working at AECOM means being part of a global team, working with award-winning professionals across the world. Aspire to be a key player on some of the best projects regionally, with opportunities to work on projects nationally or internationally. Our people bring deep industry knowledge to help you succeed.

The responsibilities of this position include, but are not limited to:
